

"INNOVATION PAYS OFF"

RULEBOOK | THE TECH X 2.0 COMPETITION

RULE BOOK

1) Introduction:-

What it takes to make things mould like you want? But before moulding it in our way we have to think of it first. We imagine thousands of Ideas for a problem we face everyday but hardly make it work. But some of us surely think out of the box to make it work. And FIZ Robotic Solutions is looking for those genius minds who can overcome challenges around them with their Technical & Innovative Ideas.

2) Objectives:-

- Candidate has to prepare a presentation with the maximum slide limit of 15.
- Each slide should be able to deliver the required message.
- The content should be short and crisp.
- The unique idea will be entertained first.
- The File Name must be saved uniquely, so that we can shortlist the best.

3) Rules:-

- The presentation should be submitted in PPTX or PPT format. Rest other formats will not be entertained or may be rejected.
- The file size should not exceed more than 5MB.
- The idea must not be copied from any internet source, if found the candidate will be disqualified immediately.
- The candidate has to mention his/her name, school name & its address, in the first slide of the presentation.
- Your Personal Details like Your Name, School Name etc. which will be filled while making the presentation should be matched with your Registration Form details.

4) Judgement Criteria:-

The presentation will be judged on the basis of the following parameters:

Total Points: 100

- 15 Number of slides – 25 Points
- Unique Idea – 25 Points
- Content Delivery – 25 Points
- SWOT* Analysis – 25 Points

*SWOT: Strength Weakness Opportunity & Threat Analysis technique.

Do's & Don'ts:-

Do's:-

- 1) Your own unique idea will be appreciated.
- 2) Try to convey more via slides.
- 3) The presentation of the content will be attractive.

Don'ts:-

- 1) The content must not be copied from any Online Source.
- 2) The presentation must be in .PPT or .PPTx format only.
- 3) The file should not exceed the limit of 5MB.
- 4) The maximum number of slides should be not more than 15.
